1. Introduction

Our group designed a **multi-page campaign website** for *Hon. Anita Among*, the current Speaker of Uganda's Parliament and Bukedea Woman MP, who is vying for re-election in 2026. The website serves as a **digital hub** to:

- Showcase her political profile and achievements.
- Communicate her vision for Bukedea and Uganda.
- Mobilize volunteers and voters through an interactive platform.
- Provide media-rich content (photos, videos) to enhance engagement.

Target Audience: Voters, NRM party members, journalists, and youth volunteers.

2. Website Overview

Pages Developed:

Homepage – Hero section with key campaign taglines and call-to-action buttons.

About – Biography, education, and political journey.

Vision – Manifesto and development goals.

Campaign – Upcoming events, milestones, and media coverage.

Media – Photo gallery and embedded campaign videos.

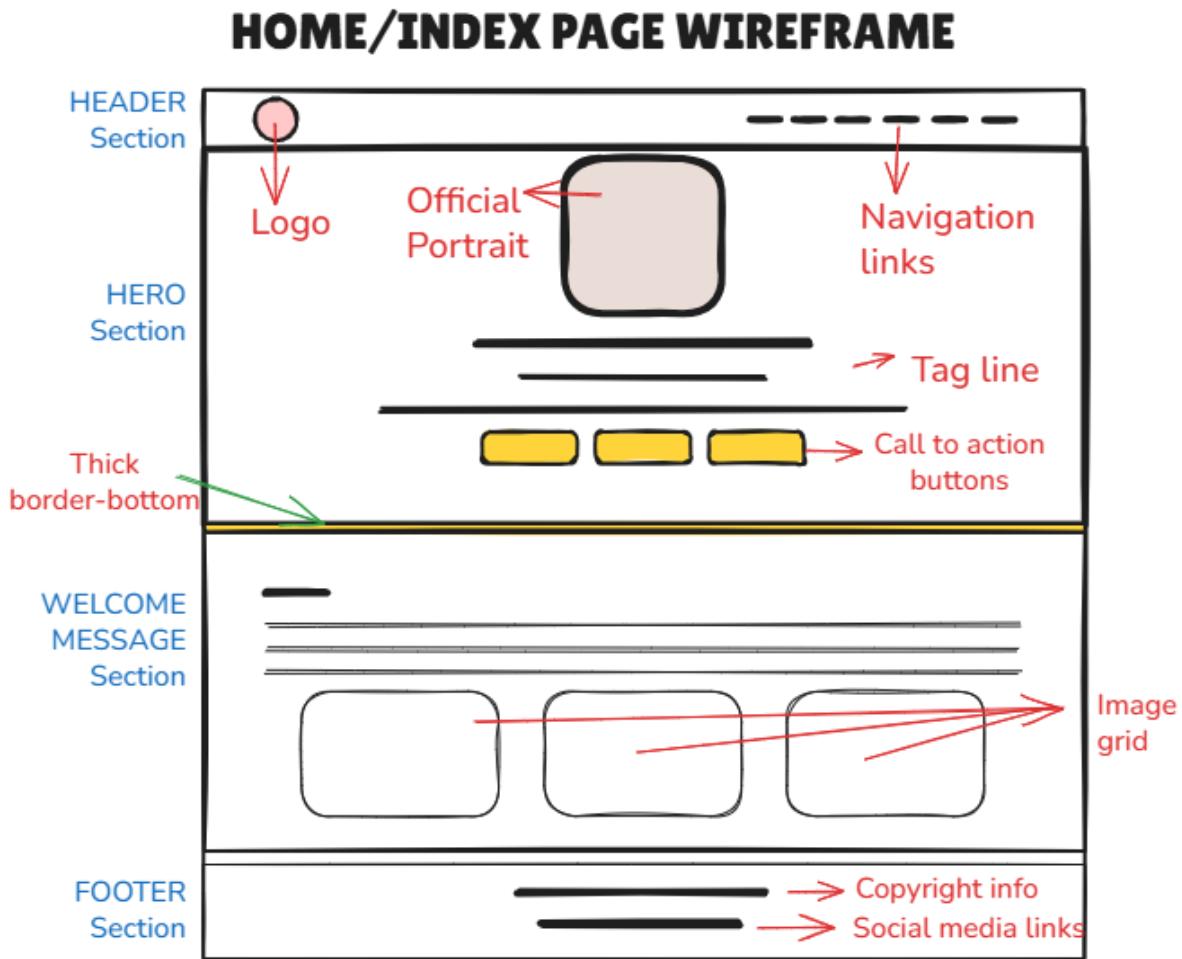

Contact – Volunteer sign-up form and social media links.

Key Features:

- **Mobile-first responsive design.**
- **Semantic HTML5** for accessibility.
- **CSS Flexbox/Grid** for modern layouts.
- **Hover effects** and smooth transitions.

3. Design Process

Wireframes: Used wireframes for design guide and below is one for the Home page.

Color Scheme:

Primary Colors: NRM Green (#b5a409) and Gold (#FFD700) to align with party branding.

Secondary Colors: Light yellow (#ffffbe6) for backgrounds, white for text contrast.

Typography:

Poppins (Google Fonts) – Clean, modern, and legible.

Hierarchy: H1 for headlines, H2 for sections, and bolded paragraphs for emphasis.

4. Technical Implementation

Technologies Used:

HTML5: Semantic tags (<section>, <nav>).

CSS3: Flexbox, Grid, and media queries for responsiveness.

No JavaScript: Focused on static content as per scope.

Code Structure:

Reusable Components: Navbar, footer, and button styles.

CSS Organization: Grouped by page sections (e.g., /* NAVIGATION */).

GitHub Repository: https://github.com/etopat/anita_among_campaign_site.git.

5. Hosting Solution: GitHub Pages

Why GitHub Pages?

Free Hosting: No cost for static sites.

Easy Deployment: Directly linked to our GitHub repository.

Custom Domain Support: Optional for future scalability.

SSL Encryption: Secure https:// by default.

Live URL: https://etopat.github.io/anita_among_campaign_site/

6. Screenshots of All Pages

Homepage

The screenshot shows the homepage of Hon. Anita Among's campaign website. At the top left is a logo with the text "ANITA ANNET AMONG". At the top right is a navigation bar with links: Home, About, Vision, Campaign, Media, and Contact. The main feature is a large portrait of Hon. Anita Among in her Speaker of Parliament attire. Below the portrait is the tagline "Empowering Bukedea. Leading Uganda.". Underneath the tagline is the text "Hon. Anita Among — Your Voice, Our Future." followed by "Speaker of Parliament | Woman MP, Bukedea | NRM 2nd Vice Chairperson (Female) Aspirant 2026". At the bottom are three yellow call-to-action buttons labeled "Meet Anita", "Read Her Vision", and "Get Involved".

Welcome

Welcome to the official campaign website of Rt. Hon. Anita Annet Among — a proud daughter of Bukedea, national leader, and passionate advocate for women, youth, and development. As we move toward the 2026 elections, join me in building a Uganda that delivers jobs, justice, health, and hope for all.

Our Vision for 2026

Build a just, inclusive, and economically empowered Uganda where every woman, youth, and rural citizen has a voice and opportunity to thrive.

As your servant leader, I commit to these core priorities:

Economic Empowerment & Jobs

- Expand commercial farming initiatives (like Bokedea farms)
- Promote entrepreneurship among women and youth
- Build partnerships for vocational skills and SME financing

Education & Health

- Expand access to healthcare through rural health facilities
- Scale school infrastructure and vocational education
- Promote youth health including vaccination & HIV awareness

Women Leadership

- Champion rural women in local governance
- Ensure party positions and policies reflect women's priorities

- Improve road connectivity and access to markets
- Secure safe water and energy for schools and health centers

Infrastructure & Market Access

- Ensure women's representation in all NRM structures (as 2nd Vice Chair - Female)
- Mobilize voter education and youth engagement for 2026

Party Unity & Strategy

7. Challenges & Solutions

Challenge	Solution
Mobile menu responsiveness	Used CSS media queries to stack nav links vertically.
Image loading speed	Compressed images via TinyPNG.
Form styling consistency	Standardized input fields with CSS.
GitHub Pages deployment	Ensured index.html was in root folder.

8. Conclusion

Our team successfully delivered a **fully responsive campaign website** that:

- ✓ Aligns with NRM branding through colour schemes and imagery.
- ✓ Engages voters via multimedia (videos, galleries) and clear CTAs.
- ✓ Simplifies navigation with intuitive menus and semantic structure.

Future Improvements:

- Add a donation portal using JavaScript.
- Integrate a newsletter subscription.
- Expand gallery with user-submitted photos.

Learning Outcomes:

- Enhanced collaboration via GitHub.
- Mastered CSS Grid/Flexbox for complex layouts.
- Balanced aesthetics with political messaging.
